

The kids cut up pumpkin shape
dipped them in paint and
stamped them on big sheets of
calico to make scarecrow
clothes.

They stamp,
stamp, stamped
patterns on his
clothes.

The kids stuffed him
with spear grass.

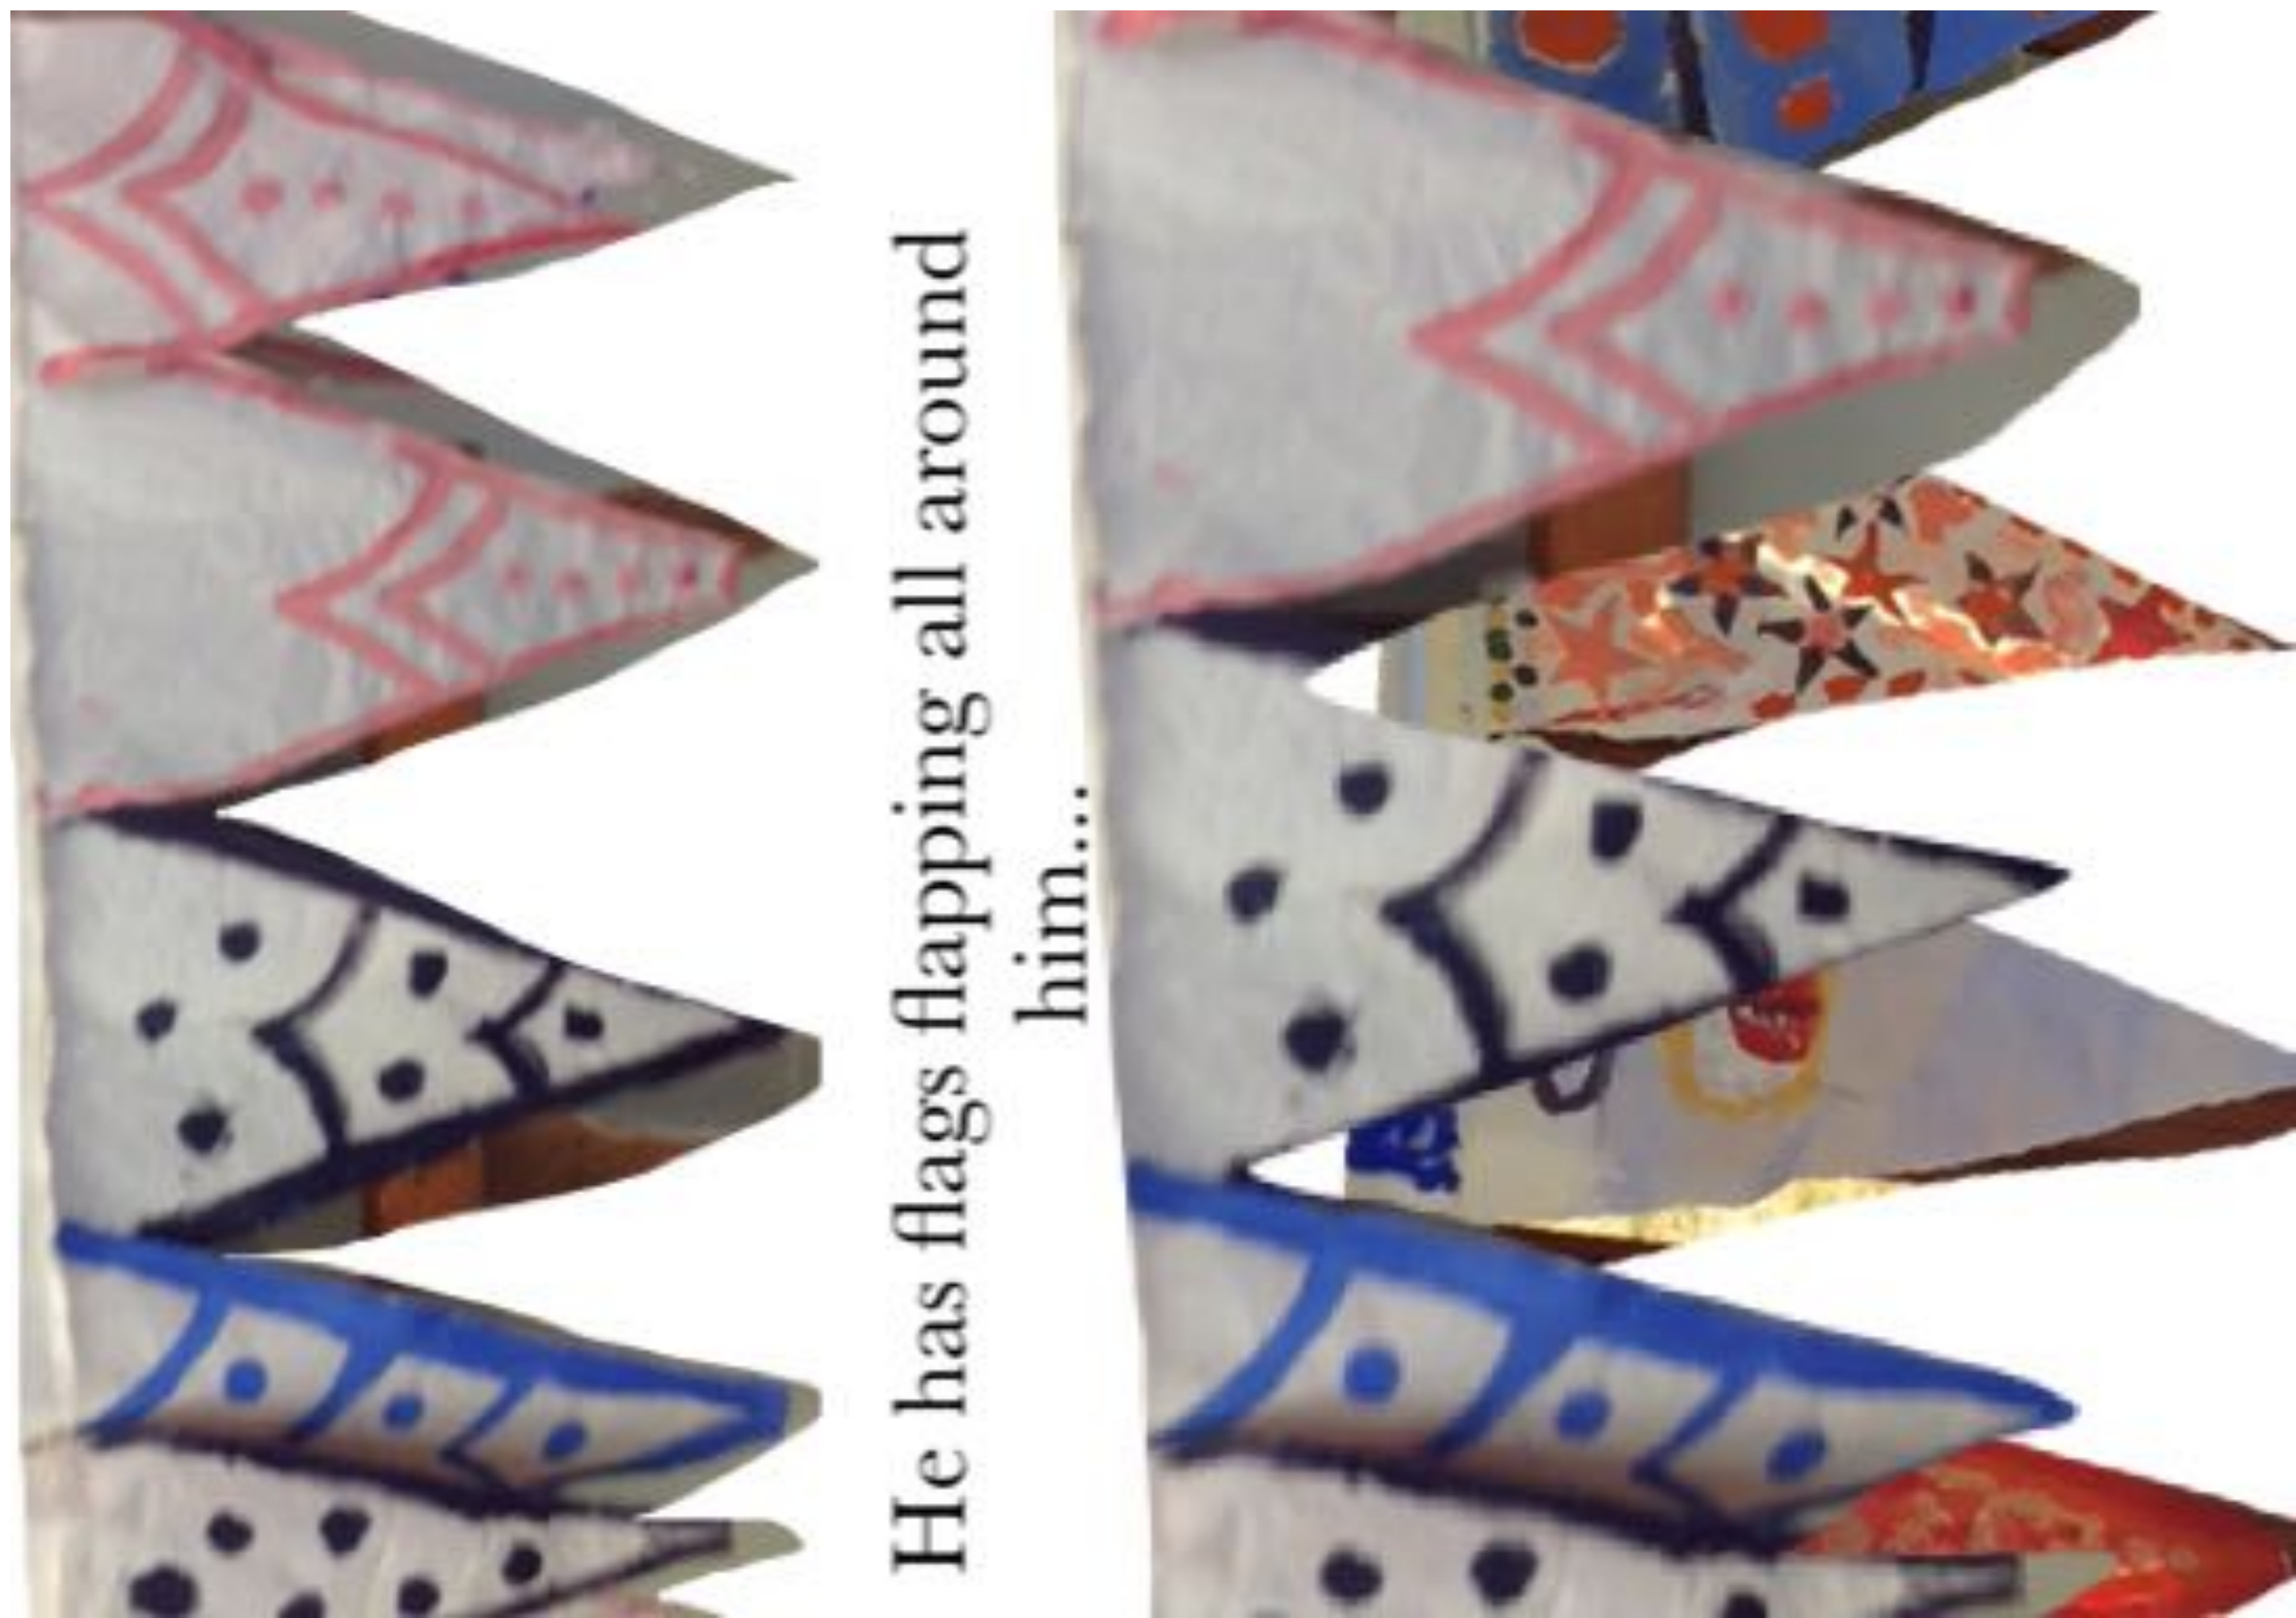

This fabulous scarecrow is the
smartest scarecrow in
Kalumburu.

He stands proud in
the vege patch

He has flags flapping all around
him...

The crows will be frightened by
the scarecrow.
He can be the king of the vege patch.

These crows think they own the
vegetables in the school vege
patch. A scarecrow could scare
them away....
The kids could make one.
